by Christopher Jencks : **The Academic Revolution**

ISBN : # | Date : 1968

Description :

PDF-92b44 | The Academic Revolution describes the rise to power of professional scholars and scientists, first in America's leading universities and now in the larger society as well. Without attempting a full-scale history of American higher education, it outlines a theory about its development and present status. It is illustrated with firsthand observations of a wide variety of colleges and universities th... *The Academic Revolution*
