Description :

PDF-9d166 | One little-known facet of antique board games is the quality of original artwork that went into their design and manufacture. While there are many books on the market oriented towards antique game collectors, this volume may be the only one that concentrates on the unique works of art that were featured on the playing boards and the boxes they came in. With hundreds of full-color photographs from ... *The Art of the Game: a Collection of Vintage Game Boards from the Collection of Selby Shaver*
