Description :

PDF-cbc0c | In Bloom's Bouquet, words blossom. You know what a pigeon is, but what is a "pugeon"? An overweight bird, of course. Change one letter of "destination" and you get a place where dirt ends up: "dustination." If you are late to ballet class, you are "leotardy." The author of a horror film is a "scareenwriter." The 599 new words in Bloom's Bouquet are organized into such cate...
