Description :

PDF-664cf | For anyone looking for a deeper appreciation of the wonderful world of plants! Gardeners are inherently curious. They make note of a plant label in a botanical garden and then go home to learn more. They pick up fallen blossoms to examine them closer. They spend hours reading plant catalogs. But they are often unable to accurately name or describe their discoveries. A Botanist's Vocabulary give... *A Botanist's Vocabulary: 1300 Terms Explained and Illustrated (Science for Gardeners)*
