The Chinese Herb Selection Guide: A Traditional and Modern Clinical Repertory With a Summary Materia Medica for the Health Care Practitioner PDF

by Charles A. Belanger : **The Chinese Herb Selection Guide: A Traditional and Modern Clinical Repertory With a Summary Materia Medica for the Health Care Practitioner**

ISBN : #0965731030 | Date : 1997-06-01

Description :

PDF-9c5b6 | This is an unique Chinese herb book in that it combines the benefits of coalesced information from multiple sources for individual herbs. The book then offers the user the ability to look up herbs and classic herb groups for thousands of biomedical as well as Chinese medical conditions and then lists the individual herbs as well as the classical and clinically tested herb groups for that condition... *The Chinese Herb Selection Guide: A Traditional and Modern Clinical Repertory With a Summary Materia Medica for the Health Care Practitioner*
