Description :

PDF-ab11d | Women are told to step up and lean in...but how?

Every day, talented, hardworking women are passed over for promotions. While it's easy to blame a corporate culture that favors men, seasoned executive Grace Killelea identifies another culprit: a surprising disparity in confidence. Men are prone to overestimate their abilities, while women too often sell themselves short. The Confidence Effect ... *The Confidence Effect: Every Woman's Guide to the Attitude That Attracts Success*
