Description :

PDF-81dde | What are "Root Words"? A root, or root word is a word which is used to form another word. It is also called a base word. A root does not have a prefix (A letter or group of letters added to the beginning of a word) or a suffix (A letter or group of letters added to the end of a word). Root is the primary lexical unit of a word, and of a word family. For example, pure is a root. By adding prefixes and suff... *Dictionary of Root Words: Greek and Latin Roots (English Word Power) (Volume 17)*
