Description :

PDF-b1ace | Education is broken and most graduates are broke. The purpose of this book is to start an important dialogue about college education. I will make the case for why I believe 70% of college students should drop out. The concept of giving our trust to the educational system without accountability has not worked. I believe it's time to ask serious questions: Why do we go to college in the first plac... *Drop Out And Get Schooled: The Case For Thinking Twice About College*
