by International Code Council : **International Building Code 2003 (International Code Council Series)**

ISBN : #1892395568 | Date : 2003-02-16

Description :

PDF-27168 | The 2003 International Building Code addresses the design and installation of building systems through requirements that emphasize performance. Fully compatible with all the International Codes, the 2003 edition provides up-to-date, comprehensive coverage that establishes minimum regulations for building systems using prescriptive- and performance-related provisions. Content is founded on broad-ba... *International Building Code 2003 (International Code Council Series)*
