Description :

PDF-fdd67 | What do fact-checkers, anesthesiologists, U.N. interpreters, and structural engineers have in common? For most of us, the better we perform the more attention we receive. Yet for many "Invisibles"-skilled professionals whose role is critical to whatever enterprise they're a part of-it's the opposite: the better they do their jobs the more they disappear. In fact, often it's only when something goes... *Invisibles: Celebrating the Unsung Heroes of the Workplace*
