Description :

PDF-91ffe | Some people spend their lives reacting to what life hands them, while others craft life to fit their goals. Author Phillip C. McGraw, who is a psychologist but describes himself as a strategist, is determined to make sure that his readers are the creators of their lives, not created by their lives. By accepting that you are personally accountable for every element of your life, McGraw says, you ca... *Life Strategies: Doing What Works, Doing What Matters*
