Description :

PDF-e095f | Unplanned events—chance occurrences—more often determine life and career choices than all the careful planning we do. A chance meeting, a broken appointment, a spontaneous vacation trip, a “fill-in” job, a hobby—these are the kinds of experiences that lead to unexpected life directions and career choices. Newly revised and updated with fresh examples and current issues for today's challen... *Luck Is No Accident: Making the Most of Happenstance in Your Life and Career*
