Description :

PDF-e20d3 | As management ages and prepares to work longer than previous generations and Millennials join companies at steady rate, companies are suffering through tension and dissonance between Millennials and Boomers, and realizing that they can't just wait for management to age out to fix it. Finding productive ways to work across the generation gap is essential, and the organizations that do this well will... *Millennials & Management: The Essential Guide to Making it Work at Work*
