Description :

PDF-c919e | Fabulous animals, specters from the shadow world, nature spirits, and sacred beings: these are the monstrous, marvelous, and mythic creatures that have come down to us in folklore and legend. Some probably have their origins in reality; others spring completely from the imagination—and they are all here, in this stunningly illustrated bible. It's rich in history and images, and international i... *The Mythical Creatures Bible: The Definitive Guide to Legendary Beings*
