Description :

PDF-e88f5 | Intentional community as a model for a low carbon future We know that we need to reduce our personal carbon footprint, but for all our awareness, real change is a rare commodity. Real hope comes from looking unflinchingly at our current circumstances and then committing wholeheartedly to creative action. Never has that been more urgently needed than right now, with the climate crisis looming larg... *Together Resilient: Building Community in the Age of Climate Disruption*
