Description :

PDF-1f6de | Major life transitions such as leaving the protected environment of school or starting a new career can be daunting. It is scary to face a wall of choices, knowing that no one is going to tell us whether or not we are making the right decision. There is no clearly delineated path or recipe for success. Even figuring out how and where to start can be a challenge. That is, until now. As executive dir... *What I Wish I Knew When I Was 20: A Crash Course on Making Your Place in the World*
